**Why is 'Kundalini' referred to as 'The Serpent Power'?**

The Kundalini, which is to nourish the tree of life within us, is coiled up like a serpent and therefore it has been called, 'The Serpent Power'.

It has been described in great detail in the **Upanishads.**

**Kundalini Yoga is supposed to be supreme in all the Yogas.**

**Guru Vashistha** asserted that Kundalini is the seat of absolute knowledge. The awareness of the presence of this primordial energy Kundalini within the human body was considered by the sages and saints to be the highest knowledge.

**The Kundalini and Chakras have been vividly described in Vedic and Tantric texts.**
