

Castes of Mind: Colonialism and the Making of Modern India

Colonialism and the Making of Modern India. Nicholas B. Dirks. When thinking of India, it is hard not to think of caste. Nicholas Dirks argues that caste is, in fact, neither an unchanged survival of ancient India nor a single system that reflects a core cultural value. Nicholas Dirks argues that caste is, in fact, neither an unchanged survival of ancient India nor a single system that reflects a core cultural value. Rather than a basic expression of Indian tradition, caste is a modern phenomenon--the product of a concrete historical encounter between India and British colonial rule. In *Castes of Mind*, Nicholas Dirks presents a meticulous analysis of the historicity of caste in order to counter the pervasive acceptance in social science. *Colonialism and the Making of Modern India*.
